PROFILE

CG artist and 3D generalist. 3D/2D graphics, motion, and social video. Lighting, lookdev, animation, and final assembly. From brief to delivery.

01 EXPERIENCE

FREELANCE - CG ARTIST / MOTION DESIGNER

MARCH 2026 - PRESENT / UPWORK

- Short social video in After Effects for an international creative agency - six hires over four months.
- 3D graphics and animation to a client brief in Cinema 4D + Redshift, from the brief to final delivery.

MIC IZVESTIA - SENIOR DESIGNER

NOVEMBER 2023 - JANUARY 2026 / MOSCOW

- 3D and 2D broadcast graphics: idents, openers, and infographics. Cinema 4D, Redshift, After Effects.
- Took part in the channel's on-air rebrand from design development to launch.
- Led two interns: onboarding, task assignment, training, and quality control. Built and automated After Effects templates with Expressions and JavaScript.

TOK PRODUCTION - MOTION DESIGNER

MAY 2023 - NOVEMBER 2023 / MOSCOW

- Collage-style 2D animation for a YouTube channel, plus video covers and social assets in a high-tempo production flow.

02 SKILLS

- Cinema 4D + Redshift
- After Effects: animation, compositing, templates, Expressions / JavaScript
- Blender + Cycles
- Lighting, composition, lookdev, color grading
- GEOlayers: animated maps
- Learning: Houdini, Unreal Engine

03 EDUCATION

Moscow Polytechnic University - Bachelor's degree. Information Systems and Technologies for Media and Design, 2021 - 2025. Cinema 4D course, VideoSmile.
